CANCELLATION / NO SHOW POLICY

Cancellations are discouraged and, except in the case of an emergency, must be received *no less than 24 hours prior* to your scheduled appointment.

If you miss 2 consecutive visits or more than 3 visits in a one-month time period, *all other appointments will be cancelled* and you will need to reschedule with your treating therapist within two weeks. If you have not rescheduled within two weeks, you will be formally discharged and will need a new referral from your physician to resume treatment. You should also be aware that if you have workers compensation insurance, a letter will be sent to your adjuster, and they have a right to terminate your benefits for a lack of follow-through with your rehabilitation program.

I have read the above policy and agree to the terms set by IHMS.
